### All About Ethan

Ethan Winter was an 18 year old Senior at Emery High School when he was killed in an automobile accident on November 27, 2016. He was out working for his dad that day. It had been snowing and the roads were slick. His truck slid off a cliff and fell over 300 feet to the bottom. He was not wearing his seat belt and was ejected from the truck.

Ethan was loved and looked up to by many. He is remembered as being loving and kind and willing to help and serve others in any way possible. He always did anything he was asked, even if he really didn't want to, and usually had a good attitude. He enjoyed life to the fullest degree possible, loved to make others smile, and worked hard at things that were important to him.

Ethan was a leader and good example. He was a friend to everyone, no matter who or what they were. He helped to protect and guide others, and he stood up for what he knew was right.

Ethan was a member of the Church of Jesus Christ of Latter Day Saints. He had a very strong testimony of the gospel. He was preparing and excited to serve a mission. He was obedient and tried to make his parents proud of him. He wanted to spread the word of the gospel, and the peace and happiness that comes through the faith and knowledge of Jesus Christ and his atonement.

Ethan loved spending time with his family. Whether it be a friendly game of soccer, snowmobiling and playing in the snow, games with his siblings, or just teasing and laughing with them - being with them was one of his greatest joys.

One of Ethan's greatest loves was playing soccer. He developed a great talent for it at an early age. Ethan spent many hours practicing his soccer skills. He was great at juggling and footwork. He was a hard worker and always tried to improve. Although he worked hard to be the best, he was humble and knew that there was always room for improvement. One of his favorite quotes was by David Beckham, "It's not about the name on the back of the jersey, it's about the badge on the front." He was a great team player.

Ethan also loved being outdoors. His favorite past time, while waiting for the next soccer season, was snowmobiling. He also liked hunting, camping, and ATV riding.

Although Ethan was an amazing kid, he surely wasn't perfect. He was always trying to improve and become a better person.
